WPC PRELAM DOORS | HERITAGE MARVEL

ROYAL
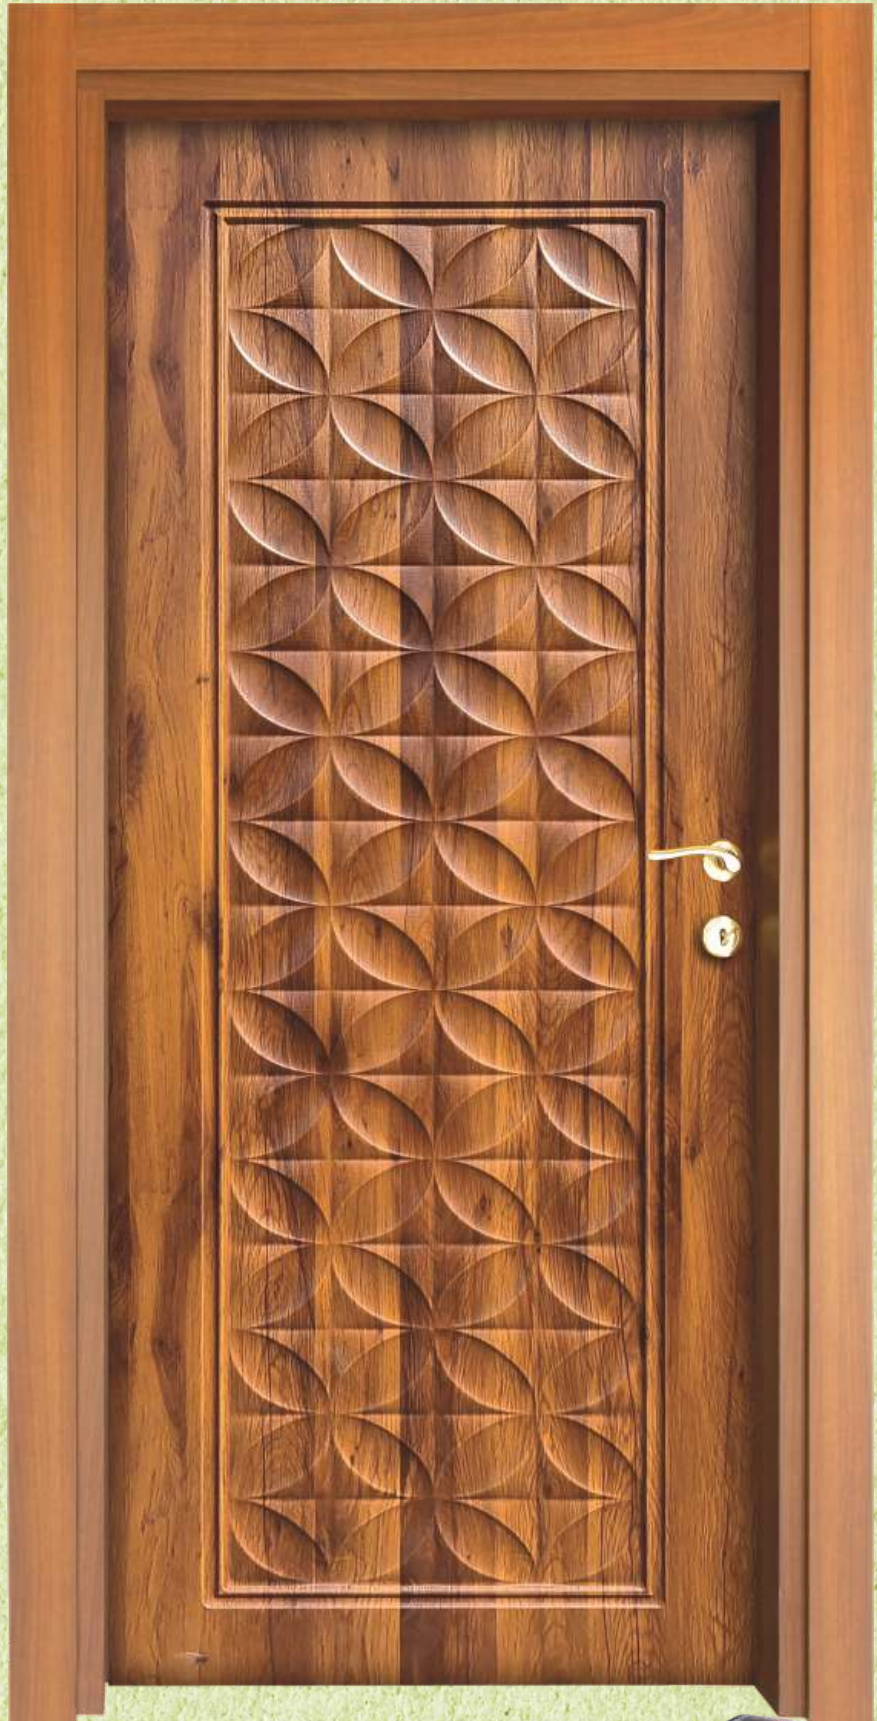

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

Thickness range (mom): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.
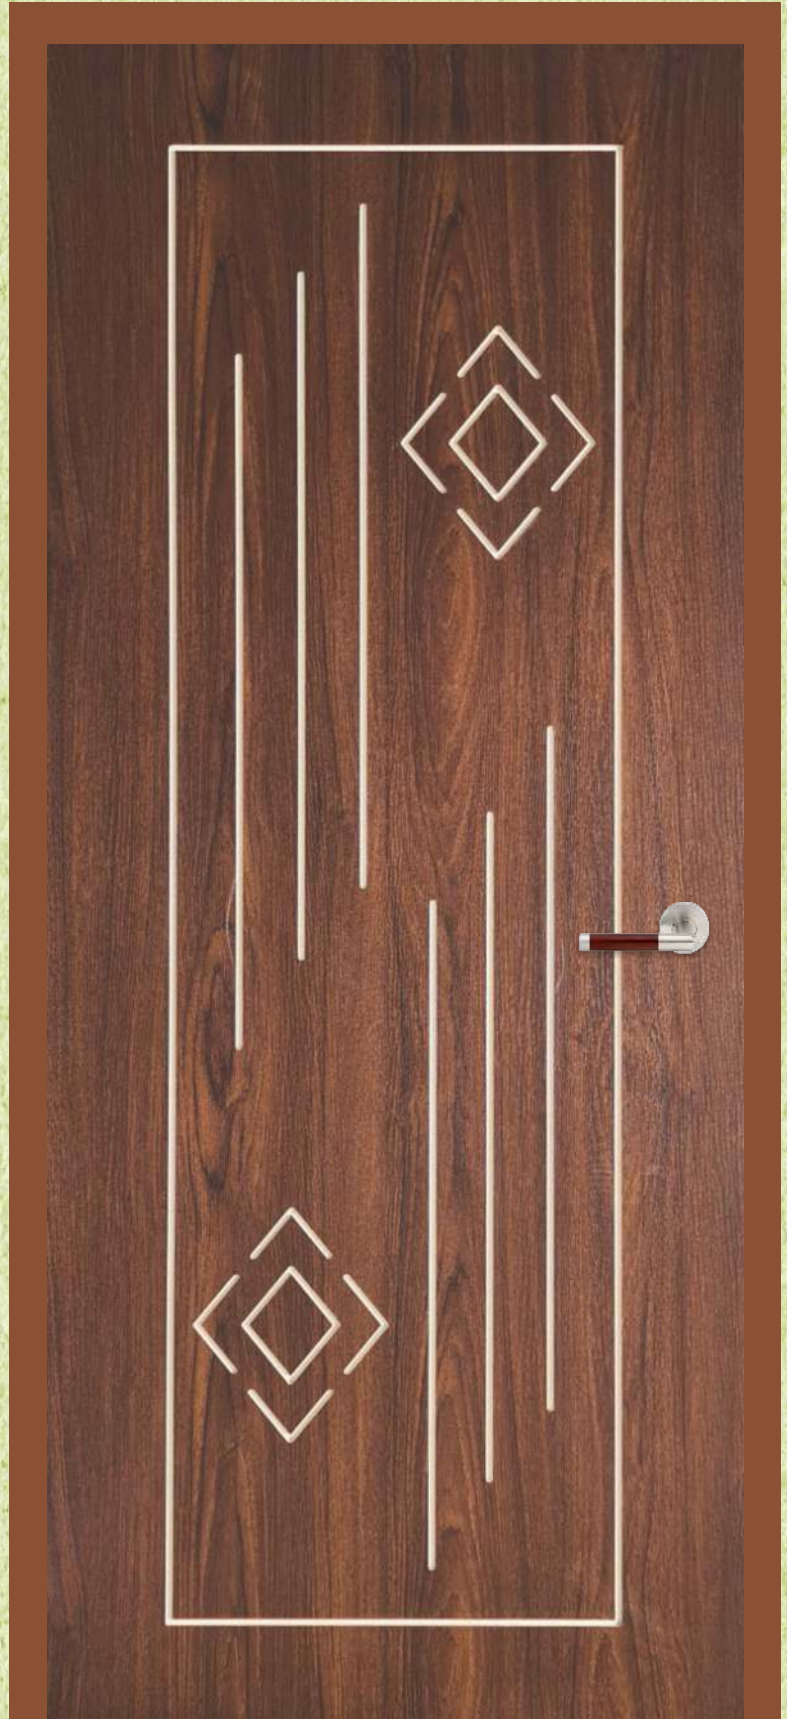

WPC PRELAM DOORS | HS - 102

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS | HS - 103

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS | HS - 104

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS | HS - 105

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.
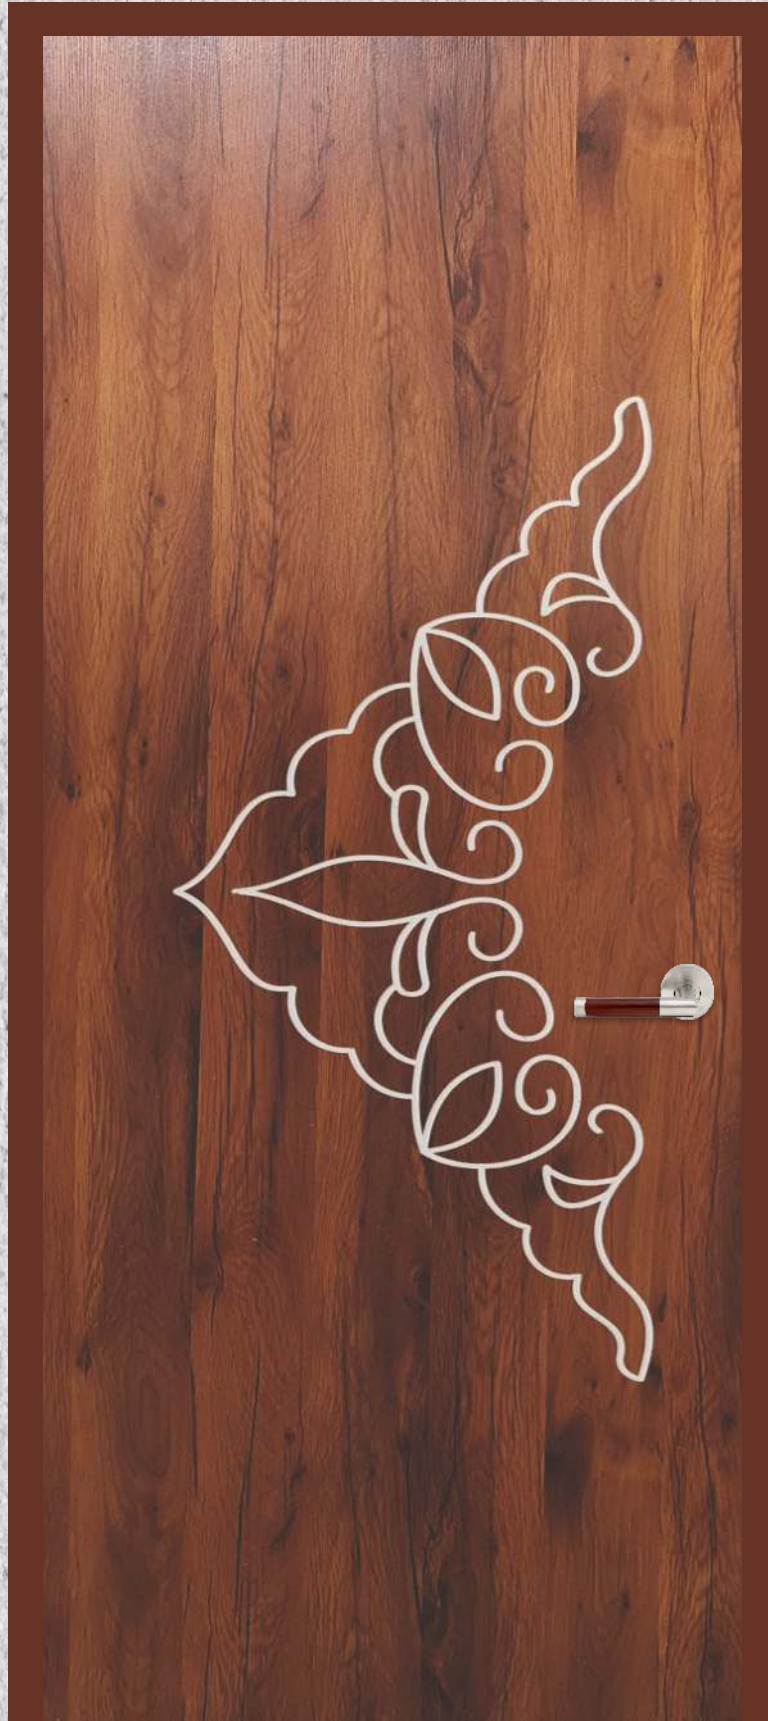

WPC PRELAM DOORS | HS - 106

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS | HS - 107

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.
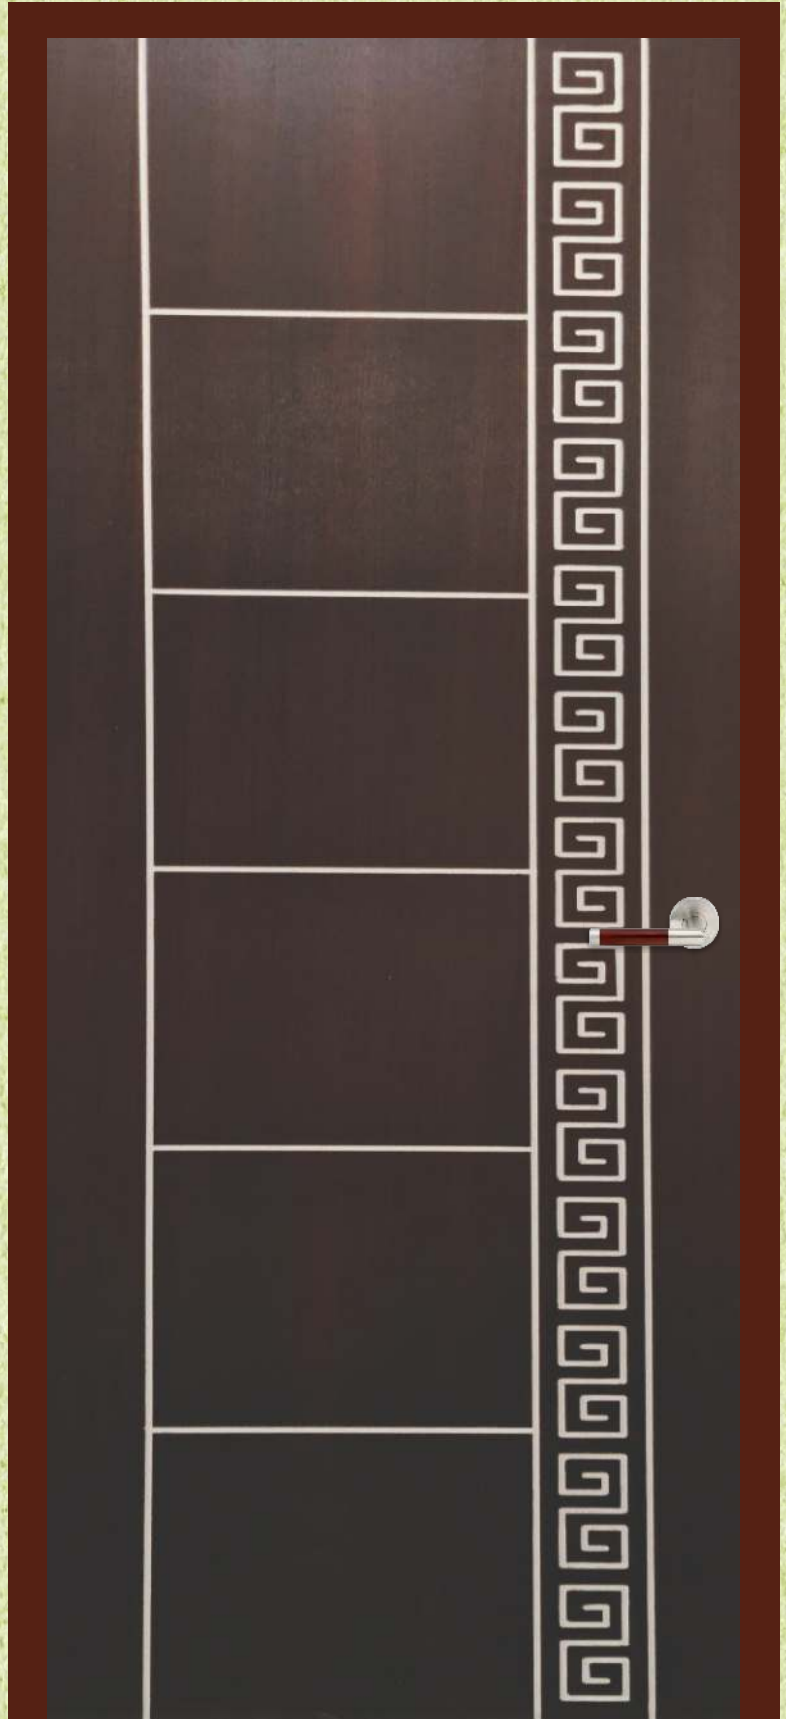

WPC PRELAM DOORS | HS - 108

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS | HS - 201

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS | HS - 202

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS   HS - 203

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.

HARDYPLAST®
replacing natural wood, plywood.

WPC PRELAM DOORS | HS - 204

Thickness range (mm): 24, 28, 30
Width range (inch): 26, 27, 30, 32, 33, 36, 38
Length range (inch): 75, 78, 81, 84

Exclusive Designs | High density materials | best screw holding
Custom sizes | Ready to Hung | Wooden finishes | Best for project supply

USE WPC.
Save trees. Save earth.
